Come along and sing  
The story of a king  
All he wanted was a queen, mm mm  
Best you'd ever seen, mmm

Put the ladies to the test  
And Esther was the best  
She became the queen, mm mm  
Now she is the queen, mm mmm

But Esther's Jeeewish  
King of Persia's clueless  
Haman is the cruuuuDEST  
Aggagite saying let's give the Jews a fight

### **CHORUS:**

Cuz Haman's gonna hate, hate, hate, hate, hate, hate  
When I hear his name, name, name, name, name, baby  
I'm just gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog

Cuz Haman's gonna hate, hate, hate, hate, hate, hate  
When I hear his name, name, name, name, name, baby  
I'm just gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog

Uncle Mordecai  
Was a really awesome guy  
And so he saved the king, mm mm  
And so he saved the king, mm mm

Mordy's thank you from the king  
Was a dope-alicious thing  
He wore the royal bling, mm mm  
He was treated like a king, mm mmm

But Haman knew this  
Knew that Mordy's Jewish  
And Haman's thoughts were ghoulish  
In his mind, wanted all of the Jews to die

### **CHORUS**

Cuz Haman's gonna hate, hate, hate, hate, hate, hate  
When I hear his name, name, name, name, name, baby  
I'm just gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog

Cuz Haman's gonna hate, hate, hate, hate, hate, hate  
When I hear his name, name, name, name, name, baby  
I'm just gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog

Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog

[SPOKEN] Oy, oy, oy

Hay-man, while you been getting down and out about the lots

And the dirty dirty Jews of Persia

You could have been chowing on these ban-quet eats

Hey Hay-Man with your lame-ass hat  
I'm a Jew who's proud  
A queen make no mistake

Got an edict from the king  
that we can fight back  
Your hat's now a cookie  
that I'll bake, bake, bake

Whooa aoaaoo

CHORUS [SUNG]

Cuz Haman's gonna hate, hate, hate, hate, hate, hate  
When I hear his name, name, name, name, name, baby  
I'm just gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog  
Now Shushan Jews were saved, saved, saved, saved, saved

So when we hear his name, name, name, name, name baby

We're all gonna shake, shake, shake, shake, shake  
Shake a grog, shake a grog

Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog

Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog  
Shake a grog, shake a grog
